CFUW 2020 Virtual Annual General Meeting

Advisory #3

Reminder to Register for the AGM

1. Due to the complications brought on by COVID-19, registration is extended to June 12, 2020. Please ensure that you register to be a participant (voting and non-voting delegates) online at <https://www.eventbrite.com/e/cfuw-virtual-agm-2020-tickets-103467636486>. To do so, please include your name, club, voting or non-voting status. For step-by-step instructions on how to register, view the guide [here](#).
2. It is important that you register for both meetings on June 19 and June 20. Registering for one meeting does not mean that you are registered for both meetings.

Registration for Training Sessions for Voting Delegates

3. Training sessions for voting delegates will be offered on Tuesday, June 9 at 12 noon EDT and Friday, June 12, 2020 at 2 p.m. EDT. If you are a voting delegate, it is advised that you register for one of the sessions. To register for training, email cfuwgen@rogers.com, notifying Rachel of the training date you will be attending. To join the training session you will join the meeting on the date and time you have registered for at this link: <http://services.choruscall.ca/links/cfuw20200619.html>. Contact Rachel at cfuwgen@rogers.com if you require any assistance.
4. As the webcast is easy to access and use, it is deemed that no training sessions are required for non-voting delegates. However, if desired, any non-voting delegate may register for one of these sessions.

Reminder to Send in Credentials Form

5. This is a reminder that if you are a voting delegate to fill out your credentials form [here](#) and send it to Betty Dunlop, cfuwfls@rogers.com as soon as possible.

Using the “Call Me” Link

6. For those delegates who will be moving and seconding a motion or resolution, please use the Call Me link so you may go directly into the call. It is very important to type in your name correctly so the Operator can correlate your name with the specific part of the agenda. This will allow the Operator to open up your line when it is your turn.
7. Screenshots for the CFUW AGM 2020 webcast orientation are provided [here](#) to show members where things are located on the webcast platform in preparation for the meeting.

Limitations to Technology

8. While we are planning for the webcast and online voting to go perfectly, we realize that technology has its limitations and occasional glitches. For this reason, we are asking for your patience and understanding during the AGM meetings.
